## **Cato Sponsors BayBio 2010 Conference**

by EvanRichardson on 31-03-2010

[BayBio](#) will be holding it's annual conference, [BayBio 2010](#), on Wednesday, 07 April 2010 at the [Hyatt Regency San Francisco Airport](#) in Burlingame, California. This year's conference will examine the fundamental questions of who pays for biotech innovation and why in this unprecedented environment. It will focus on how the current financing environment and new sources of capital affect business models, development and commercialization strategies.

With an [office in San Francisco](#), [Cato Research](#) has long been a part of the Northern California biotech community and is proud to be a [sponsor](#) of this year's conference. Registration is still open for the conference, and we look forward to seeing you there!
